FISCAL NOTE

HB 1318 - SB 1337

February 15, 2019

SUMMARY OF BILL: Authorizes the chief law enforcement officer of a state or local law enforcement agency to develop and implement policies and guidelines regarding the use of marked law enforcement vehicles by off-duty law enforcement officers for travel to and from vulnerable locations, such as places of worship, schools, and parks, in order to project an enhanced security presence.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- It is currently a standing practice of some local law enforcement agencies to use either marked patrol cars without personnel as a deterrent for crime or a marked car with personnel to help deter or prevent crime.
- Codifying the authorization of a similar practice will not result in a significant increase in local government expenditures.
- Any increase in state expenditures for state law enforcement agencies as a result of implementing such guidelines and policies is estimated to be not significant.
